*Active Ingredients:

Tea Tree Oil (Melaleuca alternifolia)250 g/L

*Meets standards set by ISO 4730.

Purpose Statement

TMIN-Aid is a natural organic matter and soil conditioner fertilizer formulated for field, vegetable, row, fruit, tree, vine, ornamental and turf crops. These properties are essential in maintaining fertility and productivity of agricultural soils. The organic components and associated soil microflora, bacteria and fungi contribute to the effectiveness of plant nutrient uptake.

Net Content: 20 Liter

Weight per gl.: 8.26 lbs. @ 68°F

Grams per liter: 991 g @ 20°C

Lot #:

PATENT PENDING

Directions For Use

Shake well before using. Apply TMIN-Aid using suitable equipment to ensure thorough coverage of all foliage. Mix 2 Liters of TMIN-Aid per 1000 Liters of water. Apply at a rate of spray mix at 1000 Liters per ha. TMIN-Aid may be applied through drip systems, aircraft, or via ground sprayers (high-volume or low-volume). Use according to an approved nutrient management plan.

Conditions For Sale

Buyer assumes all risks of use, storage or handling of this product when used in a manner inconsistent with label directions.
